Alaska Laborers-Construction Industry Health and Security Fund**

**RE: Temporary Benefit Changes – COVID-19**

*This is a Summary of Material Modification describing changes to your health plan adopted by the Board of Trustees. Please be sure that you and your family read it carefully and keep this document with your Summary Plan Description Booklet.*

### **Inpatient Hospitalizations**

The Plan will waive the Plan deductible and coinsurance through December 31, 2020 for eligible participants who are hospitalized as a result of COVID-19 at a Preferred Provider Organization (PPO) facility.

### **Providence Hospital**

Due to COVID-19, the Providence Hospital in Anchorage is temporarily considered an in-network facility from April 1, 2020 **through December 31, 2020**. During this period, if you receive services at Providence instead of Alaska Regional Hospital, the non-PPO penalties will not apply.

*Note: In most cases, the cost of services at Alaska Regional Hospital will be less than the cost of services at Providence. Alaska Regional Hospital remains the lowest cost option for you and for the health plan.*

### **Coverage of Dental Personal Protective Equipment**

Effective May 1, 2020 through December 31, 2020, appropriately billed charges by a licensed dental office for dental personal protective equipment services will be covered up to \$20 per visit.
