Important Questions	Answers	Why This Matters:
What is the overall deductible?	<b>\$2,000</b> per person / <b>\$4,000</b> per family.	Generally, you must pay all of the costs from <u>provider</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Prescription drugs</u> and <u>preventive care</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> services without cost sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Medical: \$3,500 per person / \$7,000 per family.  Prescription: \$3,000 per person / \$6,000 per family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billed charges, and health care this <u>plan</u> does not cover, ER and hospital penalties, and penalties for failure to receive preauthorization.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="www.aetna.com/docfind">www.aetna.com/docfind</a> and select Aetna Choice® POS II (Open Access) network for a list of <a href="network providers">network providers</a> . Non-Medicare only: Teladoc Teladoc.com 1-800-835-2362. Coalition Health Center <a href="www.coalitionhealthcenter.com">www.coalitionhealthcenter.com</a> 907-450-3300. BridgeHealth-non-emergency surgery outside	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
