RE: COVID-19 Vaccine Incentive Program

The Alaska Laborers-Construction Industry Health and Security Fund (the “Trust”) covers the cost of the COVID-19 vaccine and administration at 100% of allowable charges. To encourage you and your covered family members to be vaccinated, the Trust will provide a \$100 gift card to both you, and your eligible dependents, if you have been vaccinated.

In order to qualify for the incentive each covered person:

- Must provide proof of full vaccination (both shots if it is a 2-shot series) prior to August 31, 2021. Proof of vaccine would include:
 - copy of vaccine card
 - documentation from provider verifying vaccination services were rendered
- Must be eligible for trust coverage during at least one month between June 1, 2021 and August 31, 2021
 - If you are unable to be vaccinated due to a medical reason, you will receive the incentive if you complete the attached form and provide supporting documentation. Examples of supporting documentation include: Attending Physician Statement for medical reason or your personal attestation for a reason.

To apply for the incentive, submit your full vaccination proof to AK Laborers’ Trust at PO Box 34567, Seattle, WA 98124-1567.
