### **Correction: Weekly Accident and Sickness Coverage**

It has come to our attention that notification of a change to the Plan 501 weekly accident and sickness coverage was inadvertently included on a mailer sent to you on November 28, 2022. This is to correct that notification and **confirm that weekly accident and sickness coverage is not a benefit under this Plan.**

### **Termination of Provider – Wasilla Medical Clinic**

**Effective May 15, 2024**, Wasilla Medical Clinic will no longer be a preferred provider. If you have questions on in-network providers available or the Coalition Health Centers, please refer to the find a provider section of the trust website: [www.aklaborerstrust.com](http://www.aklaborerstrust.com).

### **Teladoc – Behavioral Health**

The Plan provides a benefit for medically necessary telephonic, online, or other consultations where the patient is not physically present with the physician or other Covered Provider at the time of the consultation as any other office visit.

**Effective January 1, 2024**, in addition to telehealth medical services, you may now obtain behavioral health services through **Teladoc**. You have access to care through **Teladoc** at no cost to you.

If you utilize telehealth for behavioral healthcare through **non-Teladoc** providers, these visits are subject to the annual deductible and coinsurance benefits, as follows:

1. For a real time interactive telephone or audio/video consultation (telehealth/ telemedicine) to be covered, the consultation must be via a live discussion or video exchange with ongoing participation by the patient and the provider throughout the visit.
2. Visits with non-Teladoc telehealth providers are reimbursed up to the Allowed Amount as defined in the Summary Plan Description.

As a reminder, eligible participants and their eligible dependents have access to 24/7 care via telephone or video chat with **Teladoc** at no cost to the participant.

To schedule a Teladoc consultation, visit <https://member.teladoc.com/aetna> or call (855) 835-2362.

### **Chemical Dependency and Substance Abuse Treatment**
